Alex Scheuerer - Guitar

From Switzerland, I am a guitarist and teacher. I studied for a BA Hons in London in 2010 and began teaching for Music House for Children in 2012. I believe that every person is different and learns in their own way to which I adjust using a range of visual and/or auditory mediums, transmitting knowledge through theory and games.

One of my proudest moments was taking a girl that had never played guitar before to complete her grade 8 in less than four years. Seeing her developing as a guitarist was really rewarding as a teacher!
